Welcome

Welcome to the home of the Knights - where spirit, pride, and tradition are the bywords of a school in which the entire community takes pride!

While increasing your knowledge and developing your skills, your major responsibility while at West Holmes will be to respect your fellow students, teachers, and staff members. They in return should respect you. No individual at WHHS has the right or the privilege to infringe on or to deny the right of another individual. We believe that students should seek learning for learning's sake and that with the proper attitude anything is possible.

This handbook has been prepared to help you get acquainted with the tradition at WHHS. We hope you will get acquainted with our rules, schedules, and organizations, and that you will make every effort to know your faculty and to make new friends. By taking part in all that West Holmes High School has to offer, you are helping to preserve the spirit of WHHS. In return, your school years will be ones you will never regret.

WHHS ALMA MATER

We stand today with joyful hearts,
their glories we will sing.
Our eyes shall fill with tears of pride,
fond memories you bring.
As from this school we pass,
we say to these dear halls, "Good-Bye."
We shall through life
er'e faithful be,
hail to West Holmes High.

WHHS FIGHT SONG

The Red, White, & Blue are charging
again, onto victory.
Our Knights are brave and
true-hearted men,
watch them and you'll see.
Oh, we love our school;
we'll always be true, fighting to the end.
Cheer for West Holmes Knights and
we'll win, again & again!

CLASS DUES

Class dues are collected each year to assist in covering expenses (prom, graduation, student condolences, etc.). Class dues should be paid to class officers or advisors. The class dues are as follows: Freshmen: \$5.00, sophomores: \$10.00, juniors: \$15.00, seniors: \$25.00. After the Jan. 1 deadline, an additional \$5.00 will be added to the original fee. All class dues must be paid in order to attend prom and also to receive a diploma.

SCHOOL JURISDICTION TO & FROM SCHOOL

All students are considered to be under the jurisdiction of the school both on school grounds and on property bordering school grounds, upon arrival at school in the morning and while leaving school in the afternoon. Upon arriving, students should exit their automobiles and enter school immediately.

BEFORE/DURING SCHOOL

Once students are on school property, they may not leave during school hours unless permission is received from the office. All students must sign-out in the office when leaving and sign-in at the office when arriving to school late. The building is open for students at 7:00 A.M. Students entering at 7:00 A.M. must report to the commons. Students will be released to the academic hall at 7:15 A.M. Students may not go to the parking lot during the day/lunch without permission.

DRIVING PRIVILEGES

Remember, driving on school property is a privilege, not a "right". To ensure the safety of both pedestrians and drivers the following traffic and parking regulations must be followed. Violation of these regulations will result in Suspension of Driving Privileges. If you plan on driving to school, you must register your car in the office and purchase a permit. The cost of the permit is \$4.00 for the year and requires that you park in your assigned area. Failure to do so may result in your loss of privileges. All students driving to school must register their car and display the permit in the front window of their car.

1. Leaving early without permission is not allowed.
2. Students must park in assigned student parking area only.
3. Speeding or reckless driving will not be tolerated.
4. All cars must remain in the parking lot once the buses start moving.
5. Driver's Licenses can be suspended according to House Bill 204.

BUS TRANSPORTATION

The School Board provides transportation for students. The driver is in full charge of the bus at all times, and he/she is responsible for order. Pupils shall conduct themselves on the school bus as they would in the classroom. When a bus driver finds there a discipline problem on his/her bus that may cause removal of a student from his/her bus, he/she shall report the problem to the office before refusing transportation to a student. The school administrator will then review the problem and decide whether or not the student shall continue to ride the bus. Students may be subject to school discipline for inappropriate behavior on the bus.

ATTENDANCE

According to the "Missing Children's Law," **all parents are required to notify the school the same day their child is absent. A parent should call the school before 8:00 A.M.** at (674-6085 ext. 3225) or (1-866-498-9447 [WHHS]) informing us why a child is not in school. **The student, upon his/her return to school, must present a written excuse for the absence. If the excuse is not presented within 5 school days, the absence will be officially recorded as unexcused.**

The excuse must contain the following:

1. Student's name & grade
2. The date of the absence
3. The specific reason for the absence.
4. Signature of parent or guardian.

Attendance Procedures: Punctual and regular attendance at school is extremely important. Poor attendance often results in poor classroom performance. Daily participation is crucial to the student's education. A student must be in attendance to participate in class. If a student must be absent, make-up work for excused absences will be arranged between the student and the teacher. The student must request the make-up work from the teacher, and will have (1) day for each consecutive day's absence to complete the make-up work. If the student will be missing multiple days, homework may be requested and picked up the following day in the high school office.

The Ohio State Board of Education's policy on excused absences identifies the following reasons for excused absence from school:

1. Personal illness, the approving authority may require the certificate of a physician if he deems it advisable.
2. Illness in the family.
3. Quarantine of the home.
4. Death of a relative.
5. Observance of religious holidays.
6. If you have a doctor, dentist or eye appointment you must bring a signed statement from the doctor to be excused.
7. Legal reasons-if a student's presence is required in court.
8. Emergency or other circumstances deemed to be of sufficient cause for absence from school.

Circumstances of prolonged illness will be reviewed by the Principal's office. Any student who misses 4 periods or more will be considered absent for ½ day.

Seniors who miss more than 20 days without extenuating circumstances may not be permitted to walk at graduation.

UNEXCUSED ABSENCE

Absences that are not on the approved list or those that do not follow proper procedure will be considered unexcused. A student missing school due to unexcused absence may receive a zero for all graded material, but can still request the work missed so they can keep up with the class.

Unexcused absences will also carry the following consequences:

1. Four (4) days during the school year will result in one (1) day of ALE or (1) Saturday school.
2. Eight (8) days during the school year will result in two (2) more days ALE or 2 more Saturday schools.
3. 5 consecutive unexcused absences, 7 unexcused absences in 1 month, or 12 unexcused absences in a school year may result in charges being filed with Juvenile Court.
4. Absences beyond this point will be dealt with on an individual basis.

EXCUSE VERIFICATION STATUS

Students who are absent for ten days during the school year, excused or unexcused, will be put on excuse verification status. At this point, only a doctor or hospital excuse, court excuse, death in the immediate family, or a principal's approval will be accepted. The excuse or arrangements to provide the excuse must be received within 24 hours of the student's return to school. Parents of students with chronic medical conditions should contact the principal, assistant principal and/or the office. After ten absences, those absences not covered by a doctor or hospital excuse, court excuse, death in the immediate family, or principal/assistant principal's approval will be processed as unexcused.

TRUANCY

A student who is absent without the consent of his/her parents or guardians and the school administration is considered truant.

Truancy is cause for disciplinary action. A student is considered truant if he/she:

1. Leaves school without permission of the school office.
2. Becomes ill and stays in the restroom or leaves the building without reporting to the office.
3. Comes to school but does not report to his/her assigned location.
4. Skips 1 or more classes at any point during the day. A tardy may be considered a skip if the student has pre-planned the late arrival without consent of parents and school officials.

SCHOOL CALAMITY DAYS

If it is necessary to cancel school because of emergency conditions, this official announcement will be made by WWST Wooster (960 AM – 104.5 FM), WKLM Millersburg (95.3 FM), Coshocton WTNS (1560 AM - 99.3 FM), Ashland WNCO (101.3 FM - 1340 AM), and K Country (107.7 FM).

TARDIES

Students need to report to school on time. The warning bell will ring at 7:25 and will be followed by the tardy bell at 7:30. If a student does not arrive to class before the 7:30 bell they will be considered tardy. If a student misses more than half of a class period due to unexcused tardy, they may not receive credit for that individual class period. Students who accumulate numerous tardies, whether excused or unexcused, will receive the following consequences:

- 5 tardies in a nine week period—2 lunch detentions**
- 8 tardies in a nine week period—1 day of ALE**
- 11 tardies in a nine week period—2 days of ALE**
- 14 tardies in a nine week period—1 day Suspension**

HUNTING POLICY

Our school calendar has been adjusted to have our Parent Conference Compensatory Day on the Monday after Thanksgiving. This was done purposefully to coincide with the first day of the deer season; therefore, the unwritten rule of permitting an excused absence for hunting is no longer necessary due to our not having school on the first day of deer season. Vacation days for hunting will be approved if attendance has been good and you're with a parent while hunting. Remember; please do not bring your shotguns to school in your vehicles.

VACATIONS DURING THE SCHOOL YEAR

Parents are encouraged not to take their child out of school for vacations. When a family vacation must be scheduled during the school year, an extended absence application form must be completed and approved two weeks prior to the vacation. It is the student's responsibility to complete all missed assignments. Vacations taken at the end of the school year are not encouraged.

COLLEGE VISITATION

Seniors are permitted 2 school days for college visits.

Juniors are permitted 1 school day for a college visit.

Students provide their own transportation.

Procedure for College Visitation

1. Contact the admissions office at selected college to agree upon a date/time to visit.
2. On the school day prior to your visit, bring a note to the WHHS main office giving parental consent to be absent from school for your visit to the chosen college.
3. On the day of the visit, ask a member of the admissions staff to sign a form confirming your visit.
4. On the next school day following your visit, bring the form signed by the admissions staff to the WHHS main office.

RULES AND REGULATIONS

ELECTRONIC/COMMUNICATION DEVICES

Media players, e-readers, and other electronic devices can be valuable tools for the learning process; for this reason, students are permitted to have them in classrooms when given permission by the staff member assigned to that room. Students may not use personal devices for photography unless it is part of a class assignment. Inappropriate use of devices or uses that cause disruption during the school day, will result in the device being confiscated and will be returned to the parent upon request, unless the disruption involves a legal issue. After the second offense, the item will be confiscated and returned to the parent after the student serves 1 day of ALE. Repeated violations will result in progressive disciplinary action. West Holmes High School cannot be held responsible for lost or stolen electronic devices. These items should be clearly marked for identification and kept secure in the student's locker.

ANNOUNCEMENTS & COMMUNICATIONS

Announcements will be made at the beginning of 2nd period. Advisors must sign the announcement form and it should be received in the general office the previous day if possible. Only emergency announcements will be made after 8:30 a.m. The morning announcements are also posted on the TV monitor flip screen. Please watch the flip screen for updates throughout the day. We also encourage you to visit our website for announcements and upcoming events at www.westholmes.k12.oh.us

CAFETERIA

1. All students are to eat in the school cafeteria including those who carry lunches.
2. All trays, dishes, and leftovers are to be taken to the disposal window by the person using them.
3. Food or drinks may not be taken out of the cafeteria.
4. Students may NOT leave the school grounds for lunch. West Holmes has a closed lunch period.
5. During your lunch period you must be in the cafeteria or other designated area.
6. There will be NO lunch charges.
7. Students may not order lunch to be delivered to the school.

VISITORS

For the safety of our students and staff, visitors are not allowed in the building unless they have a specific appointment with staff members and are authorized by the office. All visitors are required to register in the general office and wear visitor identification. Visitors who are not authorized face a charge of trespassing. Parents are always welcome.

WITHDRAWAL FROM SCHOOL

Any student who is about to move to another school district should report to the Guidance Office to receive a withdrawal form. This form must be signed by a parent/guardian. Books and other supplies furnished by the school are to be returned to the student's teachers at the same time. All outstanding fees must be paid. The student will then be informed how to properly transfer credentials to the new school.

FIRE AND TORNADO DRILLS

At the sound of the fire bell, students should put work aside. Teachers will inform you as to which exit to use. Information for proper exit should be displayed in each classroom. All windows and doors should be closed as classrooms are vacated. Students are to exit the building immediately and meet with their homerooms at the designated locations. Teachers will inform students of designated safety areas and dismiss appropriately.

GYMNASIUM USE

During the school day, the only footwear which will be allowed on the floor is gym shoes. No food or soft drinks will be allowed in the gym during the school day. No one is to use the gym or any of its facilities without proper supervision (coach/teacher).

SIGNS AND POSTERS

The passing out of literature, posting posters and signs must be first cleared in the office of the administration. A community bulletin board will be provided, but material posted on it must be approved by the administration.

STUDENT MESSAGES

The school will deliver EMERGENCY messages to students upon request. Emergencies are generally considered unpredictable circumstances which involve the health or safety of an individual. The office cannot deliver messages or call students to the telephone unless it is an emergency.

TELEPHONE USAGE

The telephone located in the general office is to be used for school business only and is to be used only after permission is received from a school secretary (not a student office helper).

LOCKS AND LOCKERS

Students' right to privacy with regard to lockers and gym lockers is limited to the idea that the lockers provide a secure place for students to store articles of personal clothing and scholastic materials. Hall and gym lockers are owned by the school district and are provided to students for the aforementioned purposes. Tape and contact paper may not be used on the inside or outside of student lockers. Students should not share lockers or locker combinations as this compromises the security of the locker.

Section 3313.20 O.R.C. authorizes a school board to adopt a policy, which authorizes the administrative staff to search any pupil's locker and the contents thereof. All lockers made available for student use are the property of West Holmes School District. All such lockers and the contents thereof are subject to random search at any time by appropriate school officials without regard to whether there is reasonable suspicion that any locker or the contents thereof contain evidence of a violation of a criminal statute or school rule. K-9 units from a local law enforcement agency may be used in conducting searches. A drug-searching dog may go through lockers, classrooms, restrooms, parking lots, etc. to seek drugs. In addition, a metal detector may be used. West Holmes High School is a drug free school. Drugs will not be tolerated at WHHS.

SURVEILLANCE CAMERAS

Students are duly informed that their behavior may be monitored on school property, buses and/or adjacent property by security cameras.

PROM

The prom is a formal dance for West Holmes High School juniors and seniors only. Juniors and seniors from other schools or graduates may be invited but must be approved by the office. Junior/senior eligibility will be determined by year of entry into a 9-12 high school.

SCHOOL DANCES

1. No class organization will be permitted to have a dance unless the advisors approve and can be in attendance. The total number of teacher chaperones present must be at least two, with the total adult chaperones numbering at least four.
2. Check with the principal before any date is set for a dance. It must be put on the school calendar in the office.
3. No dance will be held during the school week.
4. School dances must be over by 11:00 pm. (unless approved by the principal in advance)
5. School rules govern a school dance.
6. Dances are for West Holmes High School students. No elementary or junior high students will be permitted. A guest of a West Holmes High School student that is not a West Holmes student or graduate must be registered in the office prior to the Homecoming dance or prom and must be under the age of 21. (guests are not permitted at other dances)
7. Once a student leaves the building, he/she is not permitted to return.
8. Students under suspension are excluded from all extracurricular activities.

LOST AND FOUND

Take items found to the office and also inquire about all lost articles there. Never bring great amounts of money to school. Never leave anything of great value in your locker. If you do find it necessary to bring something of value to school, leave it in the office for safekeeping.

IMMUNIZATIONS

Ohio Revised Code 3313.671 states that students shall be permitted to remain in school no more than fourteen (14) days unless he/she presents written evidence of receiving immunization. The required immunizations in Holmes County are:

Kindergarten: 5 doses of DTaP, DTP, or DT, or any combination, if the fourth dose was administered prior to the 4th birthday.

Grades 1-12: 3-4 doses of DTaP, DTP, DT or Td or any combination.

Grade 7: 1 dose of Tdap or Td vaccine must be administered prior to entry.

Kindergarten: 4 doses of any combination of OPV or IPV, the final dose must be administered on or after the 4th birthday regardless of the number of previous doses.

Grades 1-12: 4 doses if a combination of OPV or IPV was administered. 4 doses of all OPV or all IPV is required if the third dose of either vaccine was administered prior to the 4th birthday.

Kindergarten - 12: 2 doses of MMR. Dose 1 must be administered on or after the first birthday. The second dose must be administered at least 28 days after dose 1.

Kindergarten - 11: 3 doses of Hepatitis B. The second dose must be administered at least 28 days after the first dose. The third dose must be given at least 16 weeks after the first dose and at least 8 weeks after the second dose. The last dose in the series (third or fourth dose), must not be administered before age 24 weeks.

Kindergarten: 2 doses of varicella vaccine must be administered prior to entry.

Grades 1-4: 1 dose of varicella vaccine must be administered on or after the first birthday

EMERGENCY MEDICAL AUTHORIZATIONS

By law, each student must have an emergency medical authorization form completed and on file in the office. The purpose of this form is to enable parents/guardians to authorize the provision of emergency treatment for students who become ill or are injured while under school authority when parent/guardians cannot be reached. Emergency Medical Forms will be mailed to each student in August. Emergency Medical Forms must be completed and returned by the end of the first week of school.

MEDICATIONS

Only prescription drugs in the original container from the pharmacy, labeled with the date, the student's name, and exact dosage will be administered at the high school. Likewise, all non-prescription drugs must be in their original container, labeled with the student's name, the date and the dose to be taken. **The school will need a Doctor's permission slip on file to administer ALL drugs**; we can no longer administer drugs, either prescription or non-prescription, without a doctor's slip. Parental permission no longer satisfies the Ohio Department of Health's regulations pertaining to medication administration at school.

All drugs must be taken in the main office under the supervision of a school official. Parents and students are responsible for drug refills as needed. Inhalers may be carried and administered by the student, but a self-medication form must be on file in the guidance office. We strongly encourage that a second inhaler, labeled appropriately, be kept in the office for emergencies.

ACCIDENT INSURANCE

A voluntary accident insurance program is available for all students. Any student involved in curricular or extra-curricular activities must be covered by insurance. This is a parent's responsibility. The school does provide an opportunity to purchase an insurance policy. West Holmes is not involved with any company and receives no revenue from its sales.

CLINIC

West Holmes High School has a boys' and a girls' clinic. These are located in the area of the general office. Should you become ill during school, you are to report to the office with a pass from your teacher. If you are so ill as to require more than one period in the sickroom, you are to call and have a parent take you home.

GUIDANCE SERVICES

Guidance counselors are available for personal, career, educational, and occupational counseling. Computerized scholarship and occupational searches can be personalized in the Guidance Office as well.

SCHEDULE CHANGES

Courses, which are selected, help to determine how many sections of a course are needed, the total master schedule, the number of teachers needed, and the number of textbooks needed. Therefore, schedule changes, once finalized, will be made only when absolutely necessary. A Jr. or Sr. who drops from 8 classes to 7, or a Fresh. or Soph. who drops from 8/7 classes to 7/6 after the 3rd week of a new course will receive a grade of "F" for the course.

From the beginning of the scheduling process, February through April, ample opportunities were provided for the student to take an active part in the development of his/her schedule. Any request for changes after May 30, 2014, will be honored only due to extenuating circumstances. Once school begins in August, a student's request to change a class will only be considered if the request is a response to a technical error in scheduling or a student being academically misplaced as identified by the teacher.

CONFIDENTIALITY OF STUDENT RECORDS

Students and their parents (custodial and non-custodial) have the right to view and copy (at reasonable cost) student records. Other than directory information (name, address, phone number, date and place of birth, dates of attendance, sports and activities participated in, height and weight, date of graduation, awards received), no records will be released without authorization from a parent, or in the case of an eighteen year old, the student him/herself. Directory information will be made available unless a parent or student 18 years or older notifies the school in writing by September 1st of each school year that he/she will not permit distribution of the information.

STATE OF OHIO GRADUATION TESTS

In addition to satisfying the West Holmes credit requirements, the State of Ohio requires that students pass the Ohio Graduation Test. The information below outlines the requirement and opportunities to take the test.

Ohio Graduation Test (OGT)

- Passage of all five subjects is a graduation requirement.
- Students will have five opportunities while school is in session to pass the OGT prior to the graduation of their high school class. The first opportunity for students to take the OGT will be in March of tenth grade. Students then will have an opportunity to take the test again in the fall and spring of eleventh grade and the fall and spring of twelfth grade.
- Summer administrations between tenth and eleventh grades and between eleventh and twelfth grades are optional but participation will afford students two additional opportunities to pass the test. Prior to summer administration, students are required to participate in ten hours of intervention for each subject area tested.

Individual handicapped students may be exempted from passing (not from taking) the proficiency/graduation tests. The state has developed a list of handicaps that qualify students for possible exemption.

NEW HIGH SCHOOL GRADUATION REQUIREMENTS/NEXT GENERATION ASSESSMENT

BEGINNING WITH THE CLASS OF 2018

House Bill 487 updated Ohio's graduation requirements to ensure that all students are ready for success in college and work. As a result, the Class of 2017 (10th-graders in the 2014-2015 school year) will be the last students to take the current Ohio Graduation Tests. The new requirements take effect with students entering ninth grade in the 2014-2015 school year (Class of 2018). Additionally, every student in the Class of 2018 and beyond will have the opportunity to take a nationally-recognized college admission exam free of charge in Grade 11. The honors diploma remains another option for students.

NEW

Meet one of the following three:

1. Earn a cumulative passing score on seven end-of-course exams. The scores will be set by the State Board of Education.
2. Earn a "remediation-free" score on a nationally recognized college admission exam such as ACT or SAT. The state of Ohio will pay for all 11th-grade students in the Class of 2018 and beyond to take the exam free of charge.
3. Earn a State Board of Education-approved, industry-recognized credential or a state-issued license for practice in a career and achieve a score that demonstrates workforce readiness and employability on a job skills assessment.

NEW

Complete Ohio Course

And all Students take end-of-course exams:

- * Algebra 1⁷ and geometry or integrated math I and II
- * Physical science
- * American history and American government
- * English I and English II

Students studying Advance Placement (AP), International Baccalaureate (IB) or taking dual enrollment courses in physical science, American history or American government may take assessments aligned to those courses in lieu of end-of-course exams to avoid double testing.

COLLEGE ADMISSIONS POLICIES

The state supported colleges and universities with little variation have adopted minimum requirements. The minimum requirements follow:

- 4 units of English
- 3 units of math
- 3 units of social studies (including .5 unit of government)
- 3 units of science
- 2 units of foreign language (same language, 3 units preferred)
- 1 unit of visual or performing arts (art, band, chorus, school dramatic production)

Students wishing to attend any of Ohio's public or private four-year colleges or universities should plan to meet these requirements.

AP CURRICULUM

The goal of the AP curriculum is to provide an accelerated curriculum. The rigors and demands of AP are meant to prepare students for advanced placement tests. Departments may have criteria in place that serve as prerequisites to being admitted to the AP courses. It is required that AP students take the test at the culmination of the year. Students must pay for their tests, but will be reimbursed by the district if they score a 3 or above.

EDUCATIONAL OPTIONS

In an effort to afford expanded learning opportunities to meet specialized student needs or interests, West Holmes makes educational options available to students. These options provide students the opportunity to learn in an independent or individual setting. Educational options can be, but are not limited to, correspondence courses, mentor programs, tutorial programs, educational travel, or college courses. Educational options should be explored with Guidance Counselors and/or the Principal.

COLLEGE CREDIT PLUS

Ohio's new College Credit Plus (CCP) program can help qualified high school students in Ohio earn college and high school credits at the same time by taking college courses from colleges and/or universities. When participating in CCP, you are still required to follow all of the graduation requirements set forth by the State of Ohio. Students must submit a letter of intent by April 1st and must be enrolled full time at the college (12 credit hours) or a combination of high school and CCP credits equivalent of full time. Interested students should contact their school counselor for further information.

COURSE CREDIT TRANSFER

Courses taken by West Holmes students (other than new students) at other institutions or by correspondence must be approved prior to taking the subject if credit is to be allowed toward graduation from West Holmes High School.

TRI-COUNTY INTERNATIONAL ACADEMY

The International Baccalaureate Diploma Program allows students who participate in this program to receive a college preparatory education that is globally recognized for its excellence.

The IB Diploma Program is for the upper level students. It is a total program in grades 11 and 12 that has an emphasis on international study or work which are met with an education formally recognized in over 100 countries around the world. Additionally, any student who wants a highly challenging, creative, and different kind of education will benefit.

As noted, the IB Diploma Program is a total program taught at an advanced level. Academically, it is similar to the level of instruction and difficulty of Advanced Placement (AP). Being a total program, students will have advanced courses in English, a second language, social studies, math, science, and the arts. Students will engage in activities that involve creativity, action, service, understanding how learning takes place, and extensive research. Classes will have a global perspective intended to

foster international understanding as well as encouraging students to be good citizens locally, nationally, and in the world. Successful program students will be awarded the highly respected International Baccalaureate Diploma in addition to their local school diploma.

This is a program for students in their junior and senior years. However, in order to succeed in this program, students need to be well prepared. That means students who are thinking about applying for admission to the Tri-County International Academy need to do the following in grades 7-10:

- Take classes at advanced or honors levels
- Take the most challenging math possible; complete algebra I and II and geometry by the end of grade 10; start H.S. math courses in middle school if possible
- Start foreign language as soon as possible and progress as far as possible by the end of grade 10; completion of level II in a language is the absolute minimum
- Take classes that emphasize and teach writing skills; learn research skills
- Take electives in social studies such as economics, civics and current events
- Have some background in the arts (i.e. class in music, visual art and/or performing arts)
- Have good attendance, maintain a 3.0 GPA, and be a student that teachers will recommend
- Complete health and P.E. requirements by the end of grade 10

GRADING POLICY

A student's grade will be comprised of the average of the 4 nine week grading periods for a year-long class or the 2 nine weeks of a semester class. A student must pass 1 of the 2 nine week grading periods of each semester in order to pass a class. The nine week assessment will comprise 20% of a student's nine week grade. A failing grade can be recorded for non-completion of the required work of the course. The "N" (non-completion) can be recorded at the end of a one-semester course or at the end of a yearlong course. The entire amount of work required for the course in all grading periods will be considered when evaluating a completion or non-completion of that particular course. It should be noted that unless there are extenuating circumstances when a student has an incomplete he/she will be allowed the number of days absent to make up work at the end of the nine weeks (up to 2 weeks maximum). After this time period, an F will be assigned.

Grades and Grading

- The A, B, C, D, and F system is used.
- All incompletes must be made up. No one will pass with an incomplete.
- A grading period is nine (9) weeks.
- Calculation of Grades:

Letter	Numerical	Points		
A	3.60-4.00	93-100	A	4
B	2.60-3.59	85-92	B	3
C	1.60-2.59	77-84	C	2
D	.50-1.59	70-76	D	1
F	0-.49	0-69	F	0
- Physical education is pass-fail and is not used in calculating point averages.

GRADE POINT AVERAGING

A student's overall grade point average will only be determined at the conclusion of each course. No grade point average will be determined while a student is in the process of taking a course. Grade point averages reflect only completed course work except for the purpose of determining valedictorian, salutatorian and the top 10% senior class rank.

RETAKING A CLASS

With teacher and parent approval, a student may request to retake a class to establish a stronger foundation in that particular subject. In retaking a class, completing all homework, quizzes, tests, projects, and class participation is expected. No credit will be granted for the retake. The retake grade will replace the grade received originally. Class enrollment determines the availability of this option.

VALEDICTORIAN AND SALUTATORIAN POLICY

The class valedictorian is the student (or students) ranked number one in the graduating class at the end of the eighth semester and meeting the other criteria. The class salutarian is the student (or students) with the second highest rank based on the following formula.

Starting with the class of 2012, the valedictorian rank will be determined by the following formula: $(.70 \times \text{GPA}/4.0) + (.15 \times \text{ACT score}/36) + (.15 \times \text{number of credits earned}/\text{highest number of credits}) = \text{Rank Score}$

The following rules are applied to ensure fairness in the determination:

1. The student must have attended West Holmes High School for a minimum of two semesters prior to second semester of senior year.
2. The student must have attended high school for a minimum of eight semesters. Early grads are not eligible.
3. The courses included in the calculation of the GPA are used to determine class rank.
4. Honors, advanced or advance placement courses are not granted additional weight. Credit earned through Credit Flexibility option other than College Credit Plus will not be calculated into the formula.
5. Only final course grades are used. Nine week and semester grades do not count. Pluses and minuses do not affect GPA.
6. Students who transfer from systems with weighted grades will not have an unfair advantage over other students – the GPA will be calculated without weights.
7. Students must also qualify for an Honors Diploma as determined by the State of Ohio.
8. College Credit Plus courses and grades will be figured in the GPA without weight or degree of difficulty. Six semester hours of college credit is equal to 1 credit toward the calculation for Valedictorian and Salutarian.
9. All students satisfying the above rules are eligible. All credits earned that meet Board and State guidelines are qualified (Ashland County –West Holmes Career Center students, special education students, KLAS students, tutored and home instructed students. Those not included would be: home schooling students, correspondence students).
10. An "improved" grade for a course retaken will not be considered to determine the Valedictorian or Salutarian. Students who do not meet the residency requirement, yet meet the scholastic requirements, will be listed and honored as School Valedictorian and/or School Salutarian. The Valedictorian and Salutarian are expected, but not required, to speak at Commencement. No Salutarian will be chosen if there is more than one Valedictorian.

HONORS-SCHOLAR ACHIEVEMENT NIGHT/HONORS ASSEMBLY

Students that will be recognized at the Awards Night in May must have a 3.0-3.59 GPA for Merit Roll Recognition and a 3.6-4.0 GPA for the Honors Roll Recognition. A student must be carrying at least 4 units of credit and have no incompletes. The first three grading periods of the current school year will be used as the criteria for these awards. The first year a student maintains a 3.6-4.0 for the first three grading periods he/she will receive an academic letter, second year – academic pin, 3rd year – academic pin, 4th year – gift card.

NATIONAL HONOR SOCIETY

Eligibility for membership in National Honor Society is based upon a student's scholarship, character, leadership, and service. All juniors and seniors who are currently taking at least four subjects and who have a cumulative grade point average of 3.5 or higher at the end of the first nine week grading period are evaluated in these four areas by their teachers. A five-member faculty committee then reviews these evaluations and makes the final selection of members. (Induction of new members will be held in the fall).

In compliance with provisions of Section 3313.661 of the Ohio Revised Code and House Bill 421, the West Holmes Board of Education has adopted the following rules and regulations designed to maintain order and discipline necessary for effective learning. The Board of Education's primary concern is that students who wish to learn can do so in an environment conducive to learning and that every available disciplinary and prescriptive means is employed on behalf of those who would destroy or deny such an environment. Pupils have a right to reasonable treatment from the school and its employees. The school, in turn, has a right to expect reasonable behavior from students.

All students will be given copies to share with their parents/guardians of the standards of conduct and a statement of disciplinary sanctions required. Compliance with these standards is mandatory.

II. Methods of Discipline (including, but not limited to the following :)

1. Positive actions by teachers to inspire corrective behavior each day.
2. Counseling by teachers, principals, and guidance staff.
3. Parental conferences.
4. Denial of privileges.

15. Any student or their parent can request that the student attend insight to check out their alcohol/drug use and the consequences of that use in order to begin making more low risk choices about their use.

III. Rules (Code of Student Conduct)

Misconduct by a student that is directed at a District employee or the property of the employee, regardless of where it occurs, may result in any item of the methods of discipline listed.

1. Disruption or Interference with Curricular or Extracurricular Activities:

A student shall not by use of violence, force, coercion, threat, noise, harassment, intimidation, fear, passive resistance or any other conduct, cause, attempt or threaten to cause disruption or obstruction of any curricular or extra-curricular school activity. 1. Excessive truancy or tardiness.
2. Failure to serve after-school and lunch detentions.

7. Any other action detrimental to the educational system. Saturday School will not be offered as an option when, in the opinion of the administration, the offense is criminal or serious in nature.

ALTERNATIVE LEARNING ENVIRONMENT (ALE)

The major purpose of this program is to provide students an opportunity to achieve in school, and at the same time, provide a highly structured program of school discipline. Hopefully the ALE program will be a learning experience offering the student an opportunity to complete assignments and change undesirable behavior patterns. All students placed in the ALE program will complete all assignments, projects, tests, etc., and receive full academic credit.

EMERGENCY REMOVAL OF PUPIL

If a pupil's presence "poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process either within a classroom or elsewhere on the school premises", then:

1. The superintendent, principal, or assistant principal may remove the pupil from curricular or extra-curricular activities or from the school premises.
2. A teacher may remove the pupil from curricular or extra-curricular activities under his supervision but not from the school premises altogether.

Suspension/Expulsion of a Pupil from School

In accordance with Ohio Law, Section 3313.66 O.R.C., the superintendent, the principal, or the assistant principal of a school may suspend a pupil from school for not more than ten days per occurrence. In addition, the superintendent may expel a student from school for up to eighty days. Suspensions or expulsions may extend from one school year to the next. (A student may be excluded from attending any Ohio Public School for certain very serious offenses.)

Due process in the context of quasi-judicial administrative proceedings, carried out by the school authorities, does not mean that procedures used in courts in juvenile proceedings must be followed exactly by school authorities when engaged in school-related disciplinary actions. It does mean that clear, definite, and fundamentally fair rules of procedure must govern disciplinary actions taken by school authorities.

According to Ohio law, a student must be given written notice of intent to suspend, with reasons for the intended suspension, and an opportunity to explain his/her behavior to the school administrator. Written notification will then be mailed to the parent or guardian.

REFERRAL TO LOCAL AUTHORITIES

Students who violate a criminal law are referred to local police authorities. In addition, action may be taken by the school administration.

THEFT AND DESTRUCTION OF SCHOOL PROPERTY

Parents are responsible for up to \$10,000 worth of damage to school property.

VIOLENT BEHAVIOR POLICY

Students are expected to conduct themselves in such a way that they respect and consider the rights of others. Students of the West Holmes District must conform to school regulations and accept directions from authorized school personnel. The West Holmes Local Board of Education has "zero tolerance" of violent, disruptive or inappropriate behavior by its students. A student who fails to comply with established school rules or with any reasonable request made by school personnel on school property and/or at school-related events is subject to West Holmes Board approved student discipline regulations pursuant to applicable state and federal law and local ordinances. The Superintendent/designee develops regulations which establish strategies ranging from prevention to intervention to addressing student misbehavior.

Students and parents annually receive, at the beginning of the school year or upon entering during the year, written information on the rules and regulations to which they are subject while in school or participating in any school-related activity or event. The information includes the types of conduct, which are subject to suspension, expulsion from school, alternative educational placement (as may be appropriate per PL105-17, The Reauthorization of Individuals with Disabilities Education Act), or other forms of disciplinary action. The West Holmes Board directs the administration to make all students aware of the student code of conduct, which includes progressive discipline intervention strategies, including excessive school truancy, and the fact that any violations of the student code of conduct are punishable.

If a student violates this policy or the code of conduct, school personnel, students or parents should report the student to the appropriate principal. The administration cooperates in any prosecution pursuant to the criminal laws of the State of Ohio and local ordinances.

The Student Code of Conduct is made available to student and parents and is posted in a central location within each building.

Deliberately initiating a false fire alarm, bomb alarm or dialing 911 is a serious matter. The Board or its designee reserves the right to search the locker, desk, person, and personal property of a student on school grounds, in school vehicles or at any school activity when it is reasonably necessary for the maintenance of order, discipline and safety in the supervision and education of students. At the beginning of the school year, students will be informed that their lockers, desk, persons and personal belongings, including, but not limited to, purse, athletic bags, and articles of clothing in the locker, are subject to search at any time and without warning. Searches will be based upon reasonable suspicion. In determining whether there is reasonable suspicion, the following factors will be taken into consideration (not all inclusive): the age, history and school record of the students, the prevalence and seriousness of the problems, the need to avoid delay, and the reliability of the information on which suspicion is based. The West Holmes School District, as part of its overall safety and security program, may from time to time during the school year request law enforcement agencies to assist the district in detecting the presence of illegal drugs and/or weapons in our school.

PLAGIARISM

Plagiarism occurs when a student uses someone else's words, work or ideas and does not give that person credit. Plagiarism is as serious as stealing someone's possessions. All students will be taught in their English classes what plagiarism is and how to avoid it by giving proper credit to the owner of borrowed words, work or ideas. Any student caught plagiarizing may receive a zero on the assignment. A second offense could result in failure for a grading period.

5. Clothing, make-up or grooming that draws undue attention.
6. Wallet chains or pocket chains; heavy or oversized jewelry worn around the neck, wrist, or waist.
7. Backpacks/purses/book bags may not be carried to class.

Students who do not comply with the dress regulations will be sent home to change or will be placed in ALE. Time from school will be unexcused and makeup work will not be accepted. The Principal or Assistant Principal of the building shall be the final authority of appropriateness of student dress or grooming in the building.

EXCESSIVE DISPLAY OF AFFECTION

An excessive show of affection between couples that attracts undue attention to them shall be considered in poor taste and is prohibited. This will include **close body contact, hugging, kissing**, and like actions. The use of good judgment should always be one's guide.

ATHLETICS and EXTRA-CURRICULARS

WEST HOLMES LOCAL SCHOOLS BOARD POLICY ON SPORTSMANSHIP, ETHICS, AND INTEGRITY

The West Holmes Board of Education supports the Sportsmanship, Ethics, and Integrity Program that has been established by the Ohio High School Athletic Association. The school district has made a commitment to promote the values of the Harold E. Meyer Award within our schools. This board policy has been established as a means to help promote this program and as a guide for the future. The Harold A. Meyer Award for Sportsmanship, Ethics, and Integrity was established to promote these values to everyone involved with extracurricular activities. This includes student participants, coaches, administration, fans, cheerleaders, booster groups, and parents. Through various programs, we hope to encourage everyone involved with our interscholastic activities to "Be a Sport". We will educate everyone involved about the ideals behind this program. This will help them to understand the importance of Sportsmanship, Ethics, and Integrity in our extracurricular programs.

The West Holmes Board of Education believes that extracurricular activities are a part of the total educational process. We feel that extracurricular activities help our students have experiences that encourage them to become positive and productive citizens in our society. The board asserts that the level of responsibility and behavior expected in our classrooms should be maintained throughout practices and competition. The West Holmes Board of Education fully supports the values of the Harold E. Meyer Award.
